Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Brand New Book ***** Print on Demand *****.I was never supposed to get caught. My mind cleared with only one goal in my head, revenge. I focused my energy making my right wrist become intangible long enough to slip it free. I swung it back punching him hard in the stomach. He stumbled back letting go of my left hand. I leaned forward dipping my hand into his pocket snagging his wallet. I tucked it back into my black pants. It was over in seconds without giving him any time to notice. Summer Valentine is an 18 year old who can see the glow in magical items called hexes. She even owns one, a small ring with an air element infused within it giving her the power to make her hands intangible. That is, she can move them through objects. Armed with this gift and the desire to support what s left of her family, she takes up a new name. Viper a quiet, no nonsense, unfriendly, all business, cold tempered pickpocket that only steals from people like her. People who break the law. She keeps her personal life as Summer completely separate. That is until three strange boys appear out of nowhere claiming to be hex seekers. Now Summer has to deal with them finding out about her personal life too fast too soon. With the arrival of their fourth member, the boys offer her a proposition. Join us and your debts and worries will be gone. Summer s tempted, but skeptic, the job is too good to be true. What about Tye? Her four year old brother under her custody. Is he included in the deal? And what about the threatening messages...
