BRAND NEW, Business Model Renewal: How to Grow and Prosper by Defying Best Practices and Reinventing Your Strategy, Linda Gorchels, Forget "business as usual". Don't believe everything you read about "best practices". There is no "magic bullet". When your market changes, you have to change your strategy and take control of your own success. You have to renew your business model. In a global market that is constantly evolving, you can't expect "magic bullets" or "best practices" - or any stand-alone business philosophy that many books and gurus offer - to guide your company through good times and bad.
