"[This] rigorous and unsentimental history of Scotland's global diaspora .explodes myths and foregrounds the prosaic realities of emigration . it has the fascinating charm of a detective story". ("Guardian"). "Presents a grand overview of Scottish emigration .very revealing". (Tom Nairn, "Scottish Review of Books"). "Devine has brought a greater understanding to this fascinating subject and offers an intriguing perspective on a key component of our history and national identity". (Alex Salmond, First Minister Of Scotland, "Herald"). T.M. Devine, OBE is University Research Professor and Director of the Research Institute of Irish and Scottish Studies at the University of Aberdeen. His other books include "The...
