The Avon Plate story is a celebration of ten years of the existence of this Sunday League football team. Formed out of a group of enthusiastic rather than talented mates, discover the team that attempts to fuse South American flair with the uncompromising attitude and woeful first touch of the English amateur. Experience a season that contains the commitment, cock-ups, thrills, despair, violence, glory and heartache usually associated with the standards of football and behaviour at grass roots level. Will the team survive another season? Can the ageing bones of our 39-year-old author stand the pace? Will the author s marriage and family stand the continued commitment to the cause? The history of the club is woven into the tale of the 2006/07 Bristol District Sunday League season. As ten years of Mr Blair draws to a close, the author intersperses match commentaries with his take on the world around him amidst the last days of our outgoing Prime Minister.
