### **Reviews**

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

And just for fun find a few nods to classic Christmas stories, like The Nutcracker as well as some Pieces of Light (one of a kind wire art made by the author). Book/Page size is 8.5 x 11 inches (about 21.59 x 27.94 cm). Images are on one side only for easy removal to color and display, with the image title on the back of the page.
