Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the Desk of the How-To Junkie for the Critical Thinking Junkie Howdy friend, who wants to develop critical thinking, In the old days where famous Greek philosophers - like Socrates, Plato, and Aristotle - would conglomerate in the public square Agora of Athens, people from all over would gather around to listen attentively to their enlightening thoughts. Why would people put their fate and trust in the credibility of these great orators words? That s because they all had exceptional critical thinking abilities - to be able to decipher fact from fiction, to understand true from false, and derive at insightful conclusions. But wait! Why should I care? I have zero interest in being a philosopher you say? Well, think about it for a second. Critical thinking is a skill you can use and have to improve your day-to-day function and productivity by allowing you to think sharply and clearly to easily solve problems and make better decisions within your life. Shall we say more? There are just immense benefits to being a better critical thinker. But how do you go about developing your critical thinking skills? By being a Critical Thinking Junkie, you will know: * How to evaluate your own critical thinking process by going through the 5 Self-Critiquing Methods. * How to apply the Existentialism Gap to take control of your thoughts from making rash irrational decisions. * How to avoid the trap and danger of poor judgment by not being able to see viewpoints from every angle. * How to switch your brain around from the old way of thinking that may not have been working out for you to a better way. * How to think...
