Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

PAPER ROUTE: FINDING MY WAY TO PRECISION JOURNALISM

iUniverse, United States, 2012. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.As author Philip Meyer sat in a college class listening to a professor lecture about systematic tools for measuring things like trust in government, a thought struck him: a journalist could do this! He thought about the newsroom conversations he d had about the possibility of reporting on some interesting social phenomena. The group always ended with a shrug and a lament that there was no way to measure it-but he began to wonder. It was an epiphany for Meyer, who went on to report on the 1967 racial riots in Detroit and write the groundbreaking book Precision Journalism. While others were arguing that reporters should not use scientific methods to make conclusions of their own, Meyer was using computers and statistical software to elevate the standards of traditional journalism. At age fifty, he switched gears and entered the world of academe, where he continues to stir the pot. In Paper Route, he recalls two interconnected careers and examines how journalism, quantitative methods, and original thinking led him to live the remarkable life that he s still enjoying.
