Though she is not gifted, she begins to discover that there may be more to her husbands suicide than anyone knew. What she finds next, no one is willing to believe. Without anyone to help her, she knows that she must embark on a mission to find a mysterious spiritist, if she even exists, so that she may speak with the dead. This quest may also be her last chance to unravel what is really behind the mysterious events befalling her people. What she discovers along the way is that the war is going far worse than she had known, and that the consequences of defeat will be more terrifying for her and her people than she could have imagined. As mortal peril begin to close in around her, Magda learns that she is somehow the key to her peoples salvation. Journey with Magda Searus into her dark world, and learn how true...
