Most adults mimic the parenting techniques from their own family history - even the unhealthy ones. Raising Great Kids in a Tough World will help Christian parents to chart their own strategy and style for raising well-balanced kids. Because the book is not age specific, it addresses parenting dilemmas of all age children. Parents will discover guidance and wisdom on all topics including building self-esteem in children, communications for a lifelong relationship, effective discipline and training, teaching kids how to manage money, and spiritual training.
