Brand New Book ***** Print on Demand *****.Animals often make good teachers. No one knows this better than witches and warlocks. Familiars are talking animals that teach witches and warlocks about magic and how to use their magical powers, as well as the occasional life lesson. Often they themselves were once witches and warlocks. In this first Series companion book you will read ten different stories, each of which is told by a familiar and will help you understand the important role these special animals play in teaching witches and warlocks. You will also join some familiars in their attempts to prove to DWW that they are ready to once again become witches and warlocks--but will all of them pass her unique and creative tests and regain their powers?.
