Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Definitive book of the Unofficial history of Download Festival at Donington Park, told through hundreds of interviews with the bands. This book was originally the second part of my book From Donington To Download now there are two stand alone books covering each of the festivals held there, this being the second half. In 2005 I started to write the book of the Donington Download Festival (including Monsters Of Rock at Milton Keynes). I was coming to the end of completing the Official Book of the Reading Festival and saw Donington as the second release in my Festival Series of books, covering my favourite festivals that I attend every year - Donington/Download Festival is the longest running rock festival in the UK, covering all genres from rock to classic rock , Emo to Screamo , Punk to Hardcore , Black Metal to Death Metal and every style in between, plus in the last 5 years the addition of drum bass and dance - the festival that caters for all. I have travelled the length and breadth of England interviewing bands and artists for the book and have had some great times in amongst the hard work. I ve also had many phone interviews from Metallica to Testament, Lordi to Staind. The book contains many bands such as Metallica, White Zombie, Bullet For My Valentine, The Darkness, A Day To Remember, Funeral For A Friend, In Flames, Lamb Of God, Bring Me The Horizon, Trivium, Reel Big Fish, Bowling For Soup, Stonesour, Dream Theater, Cancer Bats, Five Finger Death Punch, The Ghost Of A Thousand, Lacuna Coil, Lostprophets, Murderdolls, Less Than Jake, Ash, Unearth, Soil, Flogging Molly, Coheed And Cambria, Skindred, Alexisonfire, Hatebreed,...
