Unilit, 2016. Paperback. Condition: New. Language: Spanish . Brand New Book. A la larga, todas las familias enfrentan la pérdida de un ser amado. Cuando sucede, esto puede provocar una gran tensión en el matrimonio, al igual que en otras relaciones. En parte, eso se debe a que no sabemos qué hacer con nuestros sentimientos. En este libro, los autores exploran las dinámicas familiares involucradas cuando muere alguien. A través de su propia experiencia de perder dos hijos pequeños, muestran cómo la aflicción puede acercar de verdad a la familia en lugar de destruirla. // All families eventually face the loss of a loved one. When it happens, it can place great strain on a marriage, as well as on other relationships. That is partly because we do not know what to do with our feelings. In this book, Nancy and David Guthrie explore the family dynamics involved when a loved one dies. Through their own experiences of losing two young children and interviews with those who have faced losing spouses and parents, they show how grief can actually pull a family closer together rather than tearing it apart.
