A Miracle at Attu: The Rescue of CG-1600 is an historic nonfiction account documenting the phenomenal rescue of nine survivors from a U. S. Coast Guard HC-130H that crashed on a logistics mission to the remote Coast Guard Long Range Navigation Station on Attu Island Alaska. Be prepared as you are transported back in time to a cold isolated mountain on Attu for a truly remarkable rescue. It is an inspiring and emotional story of human error, courage, bravery, and survival. It takes a special mindset to go into harm s way and fly into the storm so others may live. You will come to know and see the many perspectives of the rescue through the eyes of the survivors, and the crews of the Coast Guard Cutter Mellon, LORAN Station Attu, Rescue-1602, and Rescue-1425. The author guides the reader to feel the tension, risk, and danger to locate and rescue the downed crew. Alaska and particularly the remote Western Aleutian Islands pose a unique and unforgiving operating environment. Weather is constantly poor with high winds, poor visibility,...
