We get into company boards and executive suites to tell you what status women have in number and in substance. We rate NSE performance against major bourses and rank companies on various measures of gender diversity to come up with the companies that give women the best opportunities in Kenya. This edition also features women who ran to become the first female Governors in Kenya in the 2017 elections. In the 2013 elections, all Governors elected in the 47 counties of Kenya were men, a democratic yet incredibly inequitable outcome. In our nature feature, we cover Kwale County a gem in Kenya with pristine beaches, spectacular marine parks, an extensive forest cover, abundant wild animals, a rich cultural heritage and agricultural and mineral resources aplenty.
