Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Notes for the Amateur Botanist in the Philippines, Vol. 1 To many persons variously situated in the Philippine Islands any means, however limited, which seeks to give an insight to some of the general facts of plant life with special reference to Philippine conditions, may be welcome. NO effort is made herein to furnish a guide to the study of Philippine botany with any pretence of completeness, which neither the available data nor the public demand would warrant. The present purpose will be thoroughly served if adequate guidance or suggestion is found herein for a little botanical work where opportunity and inclination already exist. It is with a desire to furnish such means, by suggestion rather than by explicit direction, that this publication has been put out. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
