University of Wisconsin Press, Madison, 2005. Softcover. Condition: New. 152 pages. Softcover. New book. MEMOIRS. Written in poet Michael Klein's uniquely passionate, unapologetic but humble voice, *The End of Being Known* explores the lines that define, yet also blur, the boundaries of sex, friendship, and compatibility. This collection of autobiographical essays probes the manifestations of sexual desire in its mystical variety: experiencing incest, falling in love, being a twin, and inhabiting the world of anonymous sex—in practice, and, in an essay about the Body Electric movement, as something recuperative and renewing. His poetry collections *1990* and *Poets for Life* are winners of the Lambda Literary Book Award. He lives in New York City and teaches memoir writing in the summer program at the Fine Arts Work Center in Provincetown. "Klein's prose style, like his poetry, is dreamy, allusive, repetitive in that way that admirers term 'hypnotic.'"—*Publishers Weekly* "Klein enters his memories with a searing clarity steeped in tenderness. The stories create a fugue of whispers-mysterious, sexy, and demanding to be heard."—Eve Ensler, author of *The Vagina Monologues* "What could have..."
