The western world is currently sick and getting sicker, bogged down by stress and inflammation, and dependent on pricey prescription meds. So it s no wonder that so many people are rising up and demanding a change. As a society, we re in search of something more natural, more personalized-something that will give us a true sense of wellness and wellbeing, inside and out. Enter the new paradigm of medicine: a holistic, whole-body approach that treats every aspect of your being as part of the same well-oiled machine. Through the helpful mnemonic got to shine, this revolutionary guide will lead you on a new path to wellness. Penned by experienced physician Wally Taylor, MD, Got to SHINE is a game-changer for those suffering from chronic, inflammation-based diseases, who have been impacted by the profit-seeking behavior of the big pharmaceutical and food manufacturers. Taking on the role of mentor and coach, Dr. Taylor paves the way toward a true state of restoration and wellness through lifestyle modifications, dietary changes, and the nutrient and hormone support that can help you become healthier and happier.
