Lizbeth is not your ordinary town and Addison Flynn has been chosen to know its secrets. The stories of the lake told to her by her grandfather are more than true, but there is so much more than she knows. Everything shifts when her best friend Shay dies in a diving rock accident and something new emerges from the lake, but it s not what you d expect. There are places unknown to the world that are so dark, only the strongest of hearts will survive. The real story of Lizbeth lies tucked inside this place, alongside the most colorful magic you will ever come to know.
