By Linda Vermont

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. So, maybe, you re having those moments when you feel like.you re not too sure about having a kid early on, or you d rather wait for the perfect time. Let me tell you: It is perfectly okay to have a baby late, especially if you keep your health in check. Sure, at times, there are moments of frustration but during those times, ask yourself this: would you really have wanted to have a baby at say, 22? 25? Look back on your life and what you have been doing then. Would you have been ready to give the fun up, or slow down, or just change your lifestyle right away? In this book you will find: -The reasons for late pregnancy - Increased trend for late pregnancy -Misconceptions about late pregnancy -Health issues regarding late pregnancy -Advantages and disadvantages of late pregnancy -Medical treatments to facilitate your late pregnancy -And much more! Not everyone is ready to have a child right away in their 20s- or after getting married. That s seriously okay. In fact, I believe that it s better to...
