

## Vessels: A Memoir of What Wasn't (Paperback)

By Daniel Raeburn

Little, Brown Book Group, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. An unforgettable portrait of a marriage tested to its limits. When Dan, a writer with a passion for underground comics, and his wife Bekah, a potter dedicated to traditional Japanese ceramics, met through a mutual friend, they swiftly fell in love. Of all the women I've ever met, Dan told a friend, she's the first one who felt like family. But at Christmas, as they prepared for the birth of their first child, tragedy struck. Based on Daniel Raeburn's acclaimed New Yorker essay, *Vessels: A Memoir of What Wasn't* is the story of how the couple clashed and clung to each other through a series of unsuccessful pregnancies before finally, joyfully, becoming parents. In prose as handsomely unadorned as his wife's pottery, Raeburn recounts a marriage cemented by the same events that nearly broke it. *Vessels* is an unflinching, enormously moving account of intimacy, endurance and love.
