Penguin Putnam Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Welcome to the Nightside. For those foolish enough to seek it out, it s literal tourist trap, populated by beings, human and otherwise, who have never seen the sun rise. A place where your dreams can come true--as long as your nightmares don t get you first. My name is John Taylor. I m a PI with a special talent for finding lost things. I m also the reluctant owner of a very special--and dangerous--weapon: Excalibur, the legendary sword (which isn t what you think it is, and never was). Excalibur chose me, and to find out why, I ll have to consult the last defenders of Camelot, a group of knights who dwell in a place that some find more frightening than the Nightside. London Proper. It s been years since I ve been back--and there are good reasons for that.
