

## The Mad and the Bad (New York Review Books Classics)

Filesize: 8.36 MB

### ***Reviews***

*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
*(Lupe Connelly)*

## THE MAD AND THE BAD (NEW YORK REVIEW BOOKS CLASSICS)

NYRB Classics, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "[Manchette's] writing is lean and relentless, a brutal evocation of a world in which conventional morality is just another lie we tell ourselves. The Mad and the Bad is so dark it redefines noir: bleak and pointed, yes, but also infused with an understanding that what passes between us is not only compromised but more often faithless, less a matter of commitment or connection than a kind of unrelenting animal need." --David L. Ulin, Los Angeles Times "A beautiful woman is freed from an insane asylum by a rich philanthropist who wants her to care for his nephew. But when the nanny and her charge are kidnapped, it's not the ransom plot it appears--in fact, as they escape and flee the gunmen hired to kill them, the truth of the situation is clearly a metaphor for the left-leaning author's deep cynicism about French society. Scenes play out like an art film--Manchette was also a screenwriter--right up until the prolonged, blood-splattered finale." -- Booklist "Jean-Patrick Manchette: raconteur, bon vivant, leftist militant, agent provocateur, swinger, French crime kingpin, gadfly foe of the Fifth Republic. Man-oh-man Manchette was a decades-long hurricane through the Parisian cultural scene. We must revere him now and rediscover him this very instant. Jean-Patrick Manchette was Le Homme ." --James Ellroy "This early masterpiece by Jean-Patrick Manchette shows him in most glorious, coldest fury, wrapping a scathing critique of the excesses of greed and capitalism in the bloody bow of a chase thriller. You'll want to turn the pages of The Mad and the Bad at the fastest possible clip, but slow down a little and you'll see how much Manchette packs in--and how much of a punch this mean little book...
