Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Basic Guide to Woodturning How satisfying - or boring - is your life? Very often we spend most of our weekdays working and our weekends mowing the lawn and watching telly. How boring is that? If you feel bored with life and in need of something a little more stimulating than watching TV, why not take up a new hobby? Get a great deal more satisfaction out of life by creating beautiful objects from timber. Learn the craft of woodturning. A Basic Guide to Woodturning may be just what you need to get you started. It will give you an overview of woodturning as a hobby. But wait! There are many people who are thinking about starting up a new hobby, but they cannot decide just what they would like to do - and so they end up doing nothing. Others hunt around for something that seems to their liking, but they never really find anything. Maybe they just can t find out enough about what they think they would like. Or perhaps they tried something and found it was too hard. Perhaps they were intent on getting something in a kit form and found that was too expensive or it didn t really have everything in it to complete the project. That s why purchasing A Basic Guide to Woodturning is such a great idea. This ebook will give you a lot of information about the hobby of woodturning and what you need to get started. It will save you from stumbling about in the dark as it were, and enlighten you with enough information to let you decide whether you would like to really get into...
