## DIGIMON TAMERS

To download **Digimon Tamers** eBook, make sure you refer to the web link below and save the document or gain access to additional information which might be related to DIGIMON TAMERS book.

Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - Digimon Tamers is the third animated series based on the Japanese Digimon franchise, first broadcast in 2001 on Fuji TV in Japan and on Fox Kids in the United States. The story takes place initially in a 'alternative' universe, a world much like ours where Digimon is just a franchise, composed of video games, a collectible card game, and a cartoon series. A group of 12-year-olds (10-year olds in the Japanese version), Takato, Henry and Rika (fans of the Digimon card game) meet their own Digimon friends and start to duel 'bio-emerging' Digimon who cross the barrier between the information network, synthesizing proteins and becoming real. Most of it is set in the modern Shinjuku ward of Tokyo, Japan and only changes scenario to the Digital World for a short time. 104 pp. Englisch.
