God s Fingerprints, Second Edition: Evidence for the Christian God Is All Around All of Us All of the Time (Paperback)

By Trevor Watts

Wipf Stock Publishers, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: God s Fingerprints seeks to show why Christianity is the only rational faith system appropriate to the universe we inhabit. The super-person of God the Holy Trinity alone will suffice. Starting from scientific tools that we all may use, and constraints to which we all are subject, God s Fingerprints moves to the very simple evidence of everyone s experience, arriving at the question of our origins, possible religious and philosophical views we may adopt, and the central questions of truth and morals. Endorsements: Watts writes from within the arena of science and philosophy, with scholarship and personal integrity. He exposes the irrationality of atheism and the inconsistencies of agnosticism. He poses the questions: what are we, what is true, where is meaning, why is there order rather than chaos, and why is there something rather than nothing? He shows the futility of morality based only on human preferences and argues powerfully for a super-personal Creator. --Michael Baughen, former Bishop of Chester, UK At a time when polling data reveals a significant decline in the number of well-educated people identifying...
