

Mental health

By Jeremy Weinstein

Policy Press. Paperback. Book Condition: new. BRAND NEW, Mental health, Jeremy Weinstein, Mental health social work is at an impasse. On the one hand, the emphasis in recent policy documents on the social roots of much mental distress, and in the recovery approaches popular with service users seems to indicate an important role for a holistic social work practice. On the other hand, social workers have often been excluded from these initiatives and the dominant approach within mental health continues to be a medical one, albeit supplemented by short-term psychological interventions. Here, Jeremy Weinstein draws on case studies and his own experience as a mental health social worker, to develop a model of practice that draws on notions of alienation, anti-discriminatory practice and the need for both workers and service users to find 'room to breathe' in an environment shaped by managerialism and marketisation.

Reviews

If you need adding benefit, a must buy book. This really is for all who state that there had not been a well worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Claud Bernhard

It is an remarkable pdf which i have ever go through. Of course, it can be play, nonetheless an interesting and amazing literature. I realized this pdf from my dad and i suggested this book to discover.

-- Dr. Gerda Bergnaum
