Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. We've been told that tithing - giving a tenth of our income to a church or ministry - is a foundation of the Christian faith. Determined to find the truth about this almost-universal doctrine, the author did extensive Biblical and historical research to find the truth. His goal was to see what the Bibles says - and does NOT say - about tithing. Presented here in a concise and very readable style are the results of his study. Did tithing originate with the Hebrews? What can we learn from Abraham's gifts to the King/Priest Melchizedek? Was tithing uniformly practiced among the Jews? And, what did the Lord Jesus and His apostles teach about tithing? Prepare for a fascinating look at a dogma that yields some surprises when placed under scrutiny!.
