Freeze Time Media, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Common Sense for Today s America shows that there are practical ways of solving the ongoing issues Americans face today. The book covers government and politics of course, but also looks at family life, education, church, God, sports, and pretty much anything that makes people feel frustrated and wondering what happened to the American Dream. Often with humor, Common Sense for Today s America turns the most complex problems upside down and looks at them with the perspective of real solutions that do not adhere to any one philosophy or bias. JJ McKeever gives readers a chance to sit back and look at little excerpts of life that are happening in the United States today. A common topic is what goes on in our nation s capital with President Obama and Congress. While conservative in nature, Mr. McKeever is ready to give credit when due to liberals and Democrats and is ready to blast the Republicans when they get in their own way.which happens way too often. One of the biggest themes in Common Sense for Today s America is that it is never all one side or the other that is responsible for the problems, or who has the perfect solution. America was founded on compromise; otherwise they would still be debating the Declaration of Independence! This is an intelligent vision of how to tackle our biggest issues, and you will often be laughing while reading them. This same philosophy permeates all other subjects. While a Christian, JJ McKeever holds other belief systems in total respect while showing how religion can lose sight of both God and people. In a world where education is paramount, the dysfunctional way America...
