JEKYLL AND MR. HYDE ebook.

GRIN Verlag. Paperback. Book Condition: New. Paperback. 12 pages. Dimensions: 10.0in. x 7.0in. x 0.0in. Research Paper from the year 2012 in the subject English - Literature, Works, grade: A, Northern Arizona University, course: The Novel and Its Tradition, language: English, abstract: Few stories that are over a hundred years old retain as much importance in popular imagination as Robert Louis Stevensons 1886 Strange Case of Dr. Jekyll and Mr. Hyde. Aside from the title characters becoming a shorthand description for a person who manifests a frightening bipolarity, the novels gothic depiction of London remains the popular conception of the city during the late Victorian era. Though the story is commonly interpreted as a depiction of good and evil and the duality of man, I submit that Jekyll and Hyde is in large part a gothic allegory about repressed homosexuality and covert substance abuse. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
