TEENS, ALCOHOL DRUGS: : AN ADVENTURES IN SINGLE PARENTING BOOK (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.One of the most complex challenges any parent, and especially a single parent faces, is the detection of underage alcohol and drug use. Similarly complex is trying to intervene appropriately with teens who are using alcohol or drugs. Sadly, over 5000 young people die every year as a direct result of underage drinking. As parents we rightfully expect our kids to try stuff as they grow up. But staying on top of this insidious problem is horribly complicated and especially if we ourselves drink. This is a short book to summarize the facts about underage alcohol and drug use and arm parents with some strategies for dealing with their teens who are using.
