But what happens when the technology tools created to help us control us instead? How do we determine our technology needs against our wants? Explore these questions and more in this study, and discover a way to navigate technology's pitfalls. Weary of Christian faith wrapped in a flag and trapped in your heart? Tired of faith as usual? Live out your Christian faith through the lens of Jesus. Follow values that seem so counter-cultural they appear to be upside down. Each compelling six-session Upside-Down Living Bible study helps us encounter the teachings of Jesus and wrestle with living out the kingdom here and now. The Bible isn't a cookbook with solutions for every ethical dilemma, but it helps us raise the right questions, encounter the teachings of Jesus, and discover new ways of faithful living in the world. Ideal for Sunday school or Bible study sessions, each topical study covers a specific theme or issue, and comes with thought-provoking discussion questions and activities. Be inspired and transformed in your faith. Live upside down. Topics in the series include: Sabbath (February 2017), Technology (February 2017), Identity and Aging (April 2017), Money (April 2017), Violence (June 2017), and Sharing Faith Stories (June 2017).
