Random House USA Inc, United States, 1994. Paperback. Condition: New. Ballantine Books ed. Language: English . Brand New Book. In A Cat Abroad, Peter Gethers recounts the further adventures of Norton, the extraordinary cat with the great Scottish Fold ears, who finds new worlds and people to conquer. Norton, who charmed even the most avowed cat haters with his antics in the best-selling *The Cat Who Went to Paris*, now hightails it to the south of France - stopping off all over Europe along the way - for a year with his favorite human. As always, Norton astounds those around him with his calm, uncatlike demeanor and succeeds in becoming the object of everyone s affections. In America, Norton goes on the TV talk-show circuit, finds himself on the A list of desirable celebrities who stay at the ultra-chic Four Seasons Hotel in Los Angeles, and is the star of a party at Spago, where superstar chef Wolfgang Puck presents him with a Pounce pizza. When Norton and Peter tour the Continent, Norton leaves his mark on Paris, where he encounters five not-so-friendly dogs and a devious chef; Italy, where he almost starts a war over an uneaten sardine; Holland, where he tours the canals; the Swiss Alps, where he has his first raclette dinner; and, of course, Provence, where over the course of a year he hikes in the mountains, makes friends with a goatherder (and his goats), dines in three-star restaurants, and, generally, becomes the most recognizable new inhabitant of the area since Peter Mayle decided to leave London. Along the way, Norton and his human companion face change and learn to understand the problems and the pleasures that come with growing up and growing older together. Like its predecessor, *A Cat Abroad* is funny, touching, and wise.
