One Thousand Technical Books: A Selected List with Annotations Emphasizing Especially Elementary Practical Books (Classic Reprint)

By American Library Association W Service

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from One Thousand Technical Books: A Selected List With Annotations Emphasizing Especially Elementary Practical Books Purpose - This list is the outgrowth of an attempt to make a comprehensive selection of elementary practical books suitable for men without formal technical training. It was found that the number of reliable books of just this type was very limited, and that various subjects of interest to the average library and to many men in the camps were not capable of treatment from this standpoint, or were not in fact represented by such books. A number of books which it was at first supposed would be suitable for inclusion were later rejected on account of lack of adequate revision or other objections. The plan was therefore modified. As now compiled, the list still embodies the original purpose and emphasizes both in selection and arrangement the elementary practical books. It includes, however, many books of a more advanced type, and aims to provide A.L.A. representatives and public libraries with a fairly adequate basis for strengthening their technical collections in accordance...
