Brand New Book ***** Print on Demand *****.Excerpt from Limbo and Other Essays: To Which Is Now Added Ariadne in Mantua And now for the other half of my pre liminary illustration of the subject, to wit, the Children s Rabbits House. The little gardens which the children played at cultivating have long since disappeared, taken insensibly back into that corner of the formal but slackly kept garden which looks towards the steep hill dotted with cows and sheep. But in that corner, behind the shapeless Portugal laurels and the patches of seeding grass, there still remains, beneath big trees, what the children used to call the Rabbits Villa. tis merely a wooden toy house, with green moss-eaten roof, standing, like the lake dwellings of pre historic times, on wooden posts, with the tall foxgloves, crimson and white, growing all round it. There is something ludicrous in this superannuated toy, this Noah s ark on stilts among the grass and bushes; but when you look into the thing, finding the empty plates and cups for having tea with the rabbits, and when you look into it spiritually also, it grows oddly pathetic. We walked up and down between the high hornbeam hedges. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
