Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

GOSPEL FAVORITES FOR SOLO UKULELE BOOK/CD SET

Mel Bay Publications, Inc., United States, 2012. Paperback. Book Condition: New. 290 x 216 mm. Language: English . Brand New Book. This book includes 29 classic gospel songs arranged for chord solo style ukulele. In this style, the melody is voiced on the highest string while the chord or harmony note is voiced in the lower strings. The result is an attractive presentation that needs no additional instrumentation. Guitar chords are included if accompaniment is desired. The tunes represent the rich palette of hymns, songs and spirituals in the Christian tradition. The book is recommended for all levels, and comes with accompanying audio.
