Brand New Book ***** Print on Demand *****.Excerpt from Green s Fruit Guide and Catalogue of Plants, Trees, Shrubs, Vines, Etc: With Numerous Illustrations and Reduced Price List Bosh on your books! Yes, I have read them, and if I had done as they told me I would have busted long ago. Why boy it is all nice enough for a man in patent leather boots, sitting in an office in Broad way, writing poetry about strawberries, but let me tell you it is work that brings the berries: work I say, and hard work too. Tugging and sweating. Don t take stock i in them poetry fellers. Don t get the notion that a big patch of berries, growing as rank as horseradish, without gaps along the rows, come there by whistling for fem, or by singing songs, or by walking along the rows with a paper collar on and a fancy cane in hand. Just bet your life that the man who owns that patch about broke his back planting and weeding and hoeing, and if he hadn t he wouldn t get any profit out of em.
