Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

PERCEPTION OF LIGHT

Fiery Hedge Publications, United Kingdom, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The light motif that permeates this collection of poems operates within and between domains. Composed in mid-life, they engage with many of its concerns: work, home, relationships, social conscience and the beliefs and values that inform how we manage these areas of experience. Conceding the imminence of the usual world, Perception of Light documents the scheduled/and incidental joys that contend with anxiety, affirming what gives meaning in the here, the now, despite its transience.
