C. : Office of the Under Secretary of Defense for Acquisition and Technology, 1999 OCLC Number: (OCoLC)52526153 Subject: Military research -- United States. Excerpt: . . . HAPTER VERVIEW OF C 2: O DARPA DARPA was established as an agency within the Department of Defense, in response to the Soviet Unions launch of Sputnik, for the purpose of initiating unique research and development programs in often high-risk areas, that would, if successful, offer significant impact on the Departments military capabilities. The goal of these efforts is to help maintain U. S. military technological superiority and to guard against unforeseen advances by potential adversaries. DARPA responds to tasks and guidance from the Office of the Secretary of Defense to establish an independent research agenda that is relevant to national security needs. DARPA is an idea agency, able to reach beyond todays technological frontier to develop what is needed by Americas military in the future. Based on its mission, DARPA focuses on revolutionary initiatives with high technical risks-a mission that differs from the typically evolutionary efforts appropriate to the research and development programs of...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
