Brand New Book ***** Print on Demand *****.John Alexander Williams s West Virginia: A History is widely considered one of the finest books ever written about our state. In his clear, eminently readable style, Williams organizes the tangled strands of West Virginia s past around a few dramatic events-the battle of Point Pleasant, John Brown s insurrection in Harper s Ferry, the Paint Creek labor movement, the Hawk s Nest and Buffalo Creek disasters, and more. Williams uses these pivotal events as introductions to the larger issues of statehood, Civil War, unionism, and industrialization. Along the way, Williams conveys a true feel for the lives of common West Virginians, the personalities of the state s memorable characters, and the powerful influence of the land itself on its own history.
