

Addressing Contemporary Campus Safety Issues

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which it basically modified me, altering the way I believe.

(Prof. Loyce Runolfsson Jr.)

ADDRESSING CONTEMPORARY CAMPUS SAFETY ISSUES

[DOWNLOAD PDF](#)

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Addressing Contemporary Campus Safety Issues, Christine Wilkinson, James A. Rund, Jim Runo, Provided for practitioners as a resource book for both historical and evolving issues, this guide covers hazing, parental partnerships, and collaborative relationships between universities and the neighbouring community. Addressing a new definition of a safe campus environment, the editors have identified topics such as the growth in study abroad, the implications of increased usage of technology on campus, and campus response to September 11. In addition, large scale crisis responses to student riots and multiple campus tragedies have been described in case studies. The issue speaks to a more contemporary definition of a safe campus environment that addresses not only physical safety issues but also those of a psychological nature, a more diverse student body, and quality of life. This is the 99th issue of the Jossey Bass higher education series "New Directions for Student Services".
