Tourists all over the world welcome unique creative experiences that enrich and inspire them when they travel. This is called Creative Tourism, and it is different from other types of tourism. At a time when activities and initiatives aimed at promoting tourism in a competitive economy have become essential, the notion of Creative Tourism captured in this book offers a life line that cannot and should not be ignored. Creative Tourism: A Global Conversation should be required reading for all tourism and community/economic/cultural development professionals, artists, elected and appointed public officials,...
