That s Inappropriate, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I woke up in the morning in a zombie state. I struggled to get the kids off to school. I talked myself into getting ready for work. I packed lunches, checked backpacks, planned crock pot meals, and wished I was somewhere else. Yes, that s right. I wished I was somewhere other than my kitchen listening to my children fight over the last pack of fruit snacks. I dreamt about a life that was less stressful and more enjoyable. These thoughts made me cry on the way to drop off my kids at school. These thoughts made me feel like a terrible person. These thoughts made me feel like I was the worst Mother on the planet. I was ashamed to have these thoughts. I felt like I was failing at life. I was overworked, under appreciated, and dreaming of wanting more. Why wasn t I happy? Life seemed to be a chronic shit storm and I was the imbecilic meteorologist who forgot her umbrella. I decided that I needed to chase my dreams. I decided I had to find a way to scoop the poop and find my passion.
