SUMMER MOON

Ballantine Books, 2001. Hardcover. Book Condition: New. Dust Jacket Condition: New DJ. First Edition NL with 1. Ballantine Books 2001 First Edition NL with 1 New/New DJ Editorial Reviews From Following a slew of well-received romance paperbacks (Come Spring; Blue Moon; etc.), Landis serves up a tender, satisfying historical romance as her hardcover debut. Born in 1842, Kate Whittington, abandoned daughter of the Applesby, Maine, town tramp, is raised in a cloistered orphanage. Approaching spinsterhood at the age of 30, Kate answers the newspaper ad of Reed Benton, a widowed Texas rancher seeking a mail-order bride. After months of correspondence, she agrees to a marriage by proxy, packs her bags and heads off to the Texas frontier. When she arrives at Benton's sprawling Lone Star ranch, she is surprised to discover that her new husband is a Texas ranger who defends the frontier against Native Americans, has recently been wounded during a raid on a Comanche village and has captured an eight-year-old Comanche boy he believes may be his long-lost son, Daniel. Even more surprising, Reed Benton denies having ever placed the ad, written the letters or married Kate. Devastated by her crushed dreams yet determined to tame young, wild-haired Daniel, who is fierce in his conviction that he is a true Comanche, Kate agrees to stay on at the ranch to take care of the boy. As Reed convalesces, he finds himself lusting after Kate despite his suspicion that she is a charlatan, responsible for their sham of a marriage. Fully recovered, Reed returns to the frontier as a ranger, only to return to the ranch soon after because Daniel has run away. Kate and Reed team up in their search and not only find the boy but also discover that they have fallen in love. This sweet but...
