

## The Fragmentation of Afghanistan: State Formation and Collapse in the International System, Second Edition (Paperback)

By Barnett R. Rubin

Yale University Press, United States, 2002. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. This monumental book examines Afghan society in conflict, from the 1978 communist coup to the fall of Najibullah, the last Soviet-installed president, in 1992. Rubin puts into context the continuing turmoil in Afghanistan and offers readers a coherent historical explanation for the country s social and political fragmentation. Praise for the earlier edition: This study is theoretically informed, empirically grounded, and gracefully written. Anyone who wants to understand Afghanistan s troubled history and the reasons for its present distress should read this...
