

Hope - Four Week Mini Bible Study (Paperback)

By Heather Bixler

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this four week mini Bible study we will explore what hope looks like. In 1 Corinthians 13:13 it says that faith, hope, and love last forever and are eternal. Hope can be difficult to look forward to when we are faced with the trials of life. This Bible study will take the author s own journey through a hope crisis and turn it into a story that brings hope and healing to those who participate in this study. The author will take the reader on a journey through a devotional, and provide life application questions designed for reflection and journaling each week. Every week there is a memory verse with activities to help the reader further study and understand what God s Word says about hope. There are also discussion questions provided for further study of the memory verse within a group setting. The purpose of this study will be to shift our focus from the despair and hopelessness that life often brings, and refocus our thoughts and perspective to the eternal hope that we have in Jesus.
