They fight against a dangerous alliance of dark elves and human invaders. Arrows loosed from the shadows and violent ambushes characterize his people's existence. Yet the young elf, Elliyar, can't help but wonder if this meager resistance is really all that is left for them or if there is something more in store for his people. It is in this war-torn land that an ancient power, a power that was thought lost for centuries, is rediscovered, and a primal evil begins to arise once more. Will Elliyar have the strength and ability within him to protect the ones he loves, especially the beautiful Miri, and shift the course of the war?.
