Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Warning: This is an independent addition to Big Magic, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. This review of Big Magic: Creative Living Beyond Fear by Elizabeth Gilbert provides a chapter by chapter detailed summary followed by an analysis and critique of the strengths and weaknesses of the book. The main theme explored in the book is how to live a creative life. Her main point is that we must learn to give up perfectionism, fear, and self-restraint in order to lighten ourselves up enough to receive the magic of ideas and inspiration. Every piece of advice she provides is backed up by her own personal experience or a lesson provided by another person who has worked at fulfilling their creative existence. The author splits each chapter up into smaller sections that focus on one particular lesson or idea. Each vignette provides the reader either with a new lesson or an example to follow the previous section. Gilbert provides anecdotes, stories, and examples from her own life, as well as from the lives of other famous artists, to demonstrate how it is possible to lead a truly creative existence separate from fear. The main thrust of the work is that it is possible to lead a creatively fulfilled life, you just have to be willing to work at it, not give up at the little failures, and not be afraid. The author provides plenty of advice on how to do this, and cites many examples of other creative people who also learned how to do it, in...
