Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Murphy Family: Genealogical, Historical, and Biographical; With Official Statistics of the Part Played by Members of This Numerous Family in the Making and Maintenance of This Great American Republic The purpose of this brief work is not to furnish the pedigree of any particular family or group of families bearing the name of Murphy, or to make a continuous connection between those who now bear the name and some distinguished ancestor whose distinction might be sufficient to shed its lustre over all of his descendants; for two reasons, the first being that a work thus limited would require the support of subscriptions made by those interested in its publication, as the prospect of profit from the sale of such a work would not be sufficient to invite the labor of gathering the necessary material and making the research that the execution of such a work would demand, and the second reason being that to present an authentic, unbroken lineage having its course run through the common people of Ireland, presents almost unsurmountable difficulties, because during the last three centuries, owing to political, industrial, and social conditions, involving poverty and ignorance, and the decimation of the people by war and famine, and the great exodus from the country continued through these several centuries, to escape conditions of hardship; that which has been the pride and boast of its people, the clan genealogy, was almost utterly neglected.
