

The Nations Health: The Necessary Revolution Towards A Healthy Nation (Paperback)

By Ernest Roberts

AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The book reviews the causes of illness and offers solutions towards providing good health and health care in an effective and affordable way. In 1948 the NHS budget was 170 million with no provision for any increase, assuming the population would become more healthy. The reverse has happened: evidence is given to show that the health of the nation has deteriorated. The NHS now costs 100 billion a year putting pressure on its continued existence. There are two main causes for this and for the present crisis in health care provision. First: The Welfare Principle that the State will provide in key areas including income, education and healthcare. This has led to the end of self-reliance and responsibility. The causes of ill health largely depend on the choice of each individual s life style, diet, cooking and eating habits. It is clearly unfair that the whole population should pay for the consequences of individual s irresponsible choices of lifestyle and diet. The origins of the Welfare State are described. An approach to eating healthily based on natural principles of diet and cooking which...

Reviews

I just began looking over this pdf. It is one of the most amazing pdf i have study. I discovered this book from my dad and i recommended this pdf to understand.

-- Merritt Kilback II

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
