Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How much do we really know about the animals around us? Can you identify an animal from just a few interesting facts about it? This fully illustrated, just for fun quiz book for children aged 8 and up presents 61 lists of interesting and little known facts about different animals. Most are mammals, but there are also a few birds, reptiles, fish, and other creatures. Most of the animals are familiar, but a few are less well-known. After each list of facts is a picture of the animal it describes. How many animals can you identify before seeing the full-page picture of the animal and its habitat?.
